

expect more

A note from Jason.

Welcome to Gateway. It is great to have you here with us in 2018 as we celebrate our 90th anniversary as a church. This is a really important time for us to look back, celebrate and be thankful for all that God has done in the past.

It is equally imperative that we look to the future to pray and ask God to do even more than we have ever seen Him do before. I don't believe God is asking us to do more and make ourselves more exhausted than ever before but I do believe He is calling us to expect Him to do more than what we have ever seen before.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us, to him be glory in the church and in Christ Jesus throughout all generations, for ever and ever! Amen" (Ephesians 3:19-20).

We begin a series called "Expect More" in February, reading the book of Acts, which records the acts of ordinary people filled with the supernatural power of the Holy Spirit to share the Gospel of salvation and plant churches that would transform their communities for generations to come. I hope and pray that you will be inspired and encouraged to pray, serve, share and give with the same faith as the early church that expected God to do more than what they had ever seen before.

Our campus prayer meetings will kick off on Tuesday 13 February at Mackenzie at 7pm and at each of our existing and future campuses on the Tuesdays following. Check out the website for all the details. Sunday 18 February will be Sign Up Sunday, an opportunity to find your place to serve at Gateway in 2018. GroupLink will kick off for the first time ever on Sunday 25 February to help connect everyone into a Life Group and grow in our faith together.

I pray that God fills your heart with faith to expect more than what you have ever seen before.
