

# SUPERNATURAL

ON EARTH AS IT IS IN HEAVEN

## A note from Jason.

Thanks for your generous commitment to Gateway Beyond over the last month to continue to shine the light of Christ into some dark places around the world. We've heard many great stories of the way God is using our Beyond workers to share the life-changing message of Jesus and see many lives transformed. We are getting closer to our target of \$550,000. If you would still like to make your pledge, you can do that at any time at the Welcome Desk.

The school holidays will see our Kids Take Over program literally take over our church property. We're almost at full capacity with over 350 kids attending for the week. This is a great opportunity to see kids and families from our community come through the doors of our church. Please be praying for the kids and leaders as they spend the week together learning about God, enjoying great activities, and having a load of fun together.

In Term 3, we'll be kicking off our church wide series — Supernatural. We're believing that we're going to see a little bit more of heaven on earth as we look at the ministry and miracles of Jesus, and explore what it looks like for God to work supernaturally through us. One of the best ways to engage in this series is to make sure you're in a life group. If you're not already, we'd love to see you at our next GroupLink event on the 15<sup>th</sup> July so you can connect into a group for the series. Can I encourage all leaders of all ministries to be at our Leaders Gathering on Tuesday 17<sup>th</sup> July at 7pm in the Loft as we pray together for His Kingdom to come here on earth as it is in heaven.

This is another big month for us as a church as we prepare to launch a new campus at Logan on 22<sup>nd</sup> July. Please continue to pray for the Logan team and join us at one of our services on Sunday 15<sup>th</sup> July as we pray over and commission those who will be a part of this campus.

God bless  
Jason  
Senior Pastor
