

GATEWAY BEYOND

A note from Jason.

Our Legends of the Faith series has been a powerful celebration of the ancients in Hebrews 11 who demonstrated extraordinary faith in what they could not see, and confidence in God's promises. This series has reminded us of the nature of God, His faithfulness to us and why we can confidently expect more from the God who created the universe.

In June we focus on our Gateway Beyond people and projects and I encourage you to invite your friends and family along to hear how God is at work in our community, nation and world. Join us on Sunday 10 June from 5pm at Gateway Mackenzie for our special Going Beyond Celebration event and come prepared to give generously on Sunday 17 June as we make a commitment together to shine the light of the Gospel in some dark places around the world.

Speaking of Gateway Beyond, I am excited to share with you that from August, our Joint Global Mission Directors will begin their appointment. We are thrilled to appoint Jason and Caroline Berry to these roles. Many of you already know Caroline who, over the last two and a half years, has been a highly valued team member in her role as Short Term Missions Teams and Beyond Communications Co-ordinator. Her husband Jason also has a rich experience in cross-cultural mission, community development and communications. We know they will be a blessing to our Gateway Beyond community and workers.

Online registrations are open for our school holiday program, Kids Take Over. Do share this opportunity with school families and friends from your community – this is the most fun a kid can have on holidays and is an awesome opportunity to share the life changing message of Jesus with our young people.

God bless
Jason
