

VOLUNTEER SUNDAY

A note from Jason

God has been so good to us at Gateway! Our God is faithful to His promises and His love for us knows no bounds. We began this year believing that God was saying to us to **Expect More** than what we had ever seen before.

"Now to him who is able to do immeasurably more than all we ask or imagine, according to his power that is at work within us"
—Ephesians 3:20

We believed God for **more people with more purpose** and we have seen God's faithfulness. It has been so exciting to send so many people to plant two new Campuses where the Gospel is proclaimed and lives are being changed every week. There are now over 1200 people giving their time to serve God at Gateway in four campuses. Every one plays a vitally important role in seeing God's purposes fulfilled. Make sure you are here on Volunteer Sunday (25 November). It will be a great joy to thank all of our volunteers who serve throughout the year.

We believed God for **more power through more prayer** and once again we have seen God's faithfulness. We have seen people saved, healed, blessed and whole families redeemed. Please continue to persevere in prayer for one another, our city and our nation.

We believed for **more provision for more places** where more people would come to know Jesus. We have planted two new campuses that are already overflowing with people where many have put their faith in Jesus for the first time. There have been 20 first time commitments to Jesus at our Logan Campus alone in the last 3 months. Only God can do this!

At our 90th birthday we gave a very generous gift of \$500,000 to establish these new campuses. Thank you for your generosity. You may have noticed that our general offering is significantly behind budget for 2018. As a leadership team, we are managing our costs and seeking Gods wisdom as we plan for the future. Can I encourage you to pray with us and consider how God may be calling you to give in this season.

I love hearing the stories of lives being transformed by the Amazing Grace of Jesus. Please continue to share your story of grace on the wall in the foyer and with the people you live, work and laugh with. I pray you will have the joy of introducing them to Jesus this Christmas season.

God bless
Jason Elsmore
