EXPLORE UGANDA YOUTH MISSION TEAM

MAKE IT YOUR MISSION TO GO | NOVEMBER 2018

EXPLORE UGANDA YOUTH MISSION TEAM

Grab your passport and open your eyes to the world around you! You will walk the dusty paths of urban slums with orphaned and vulnerable kids and teens and discover all that God is doing through the **African Hearts** ministry. You'll spend time hanging out with kids, playing games, helping in practical ways, using your skills and gifts to bless others, and sharing Jesus' love. You'll also get out of the city to visit community development projects in villages and explore God's creation on a 3 day safari. You'll meet passionate Ugandans sharing the **life changing message of Jesus** and learn about global issues such as poverty and injustice.

The team will spend most of its time with African Hearts ministry and team leader Ainsley Winten will tailor this team opportunity to the skills and gifts of team members so come prepared to contribute. You'll have the chance to get your hands dirty and put your **faith into action** – praying for people, evangelism, sharing your testimony and doing children's ministry. Our team will also fundraise before the trip to contribute to an African Hearts project, and team members will also take approximately 25kgs of donated items in their luggage (airlines give a 46kg luggage allowance).

TEAM LEADER AINSLEY WINTEN: *My first trip to Africa in 2011 was part of a short-term mission team. God spoke to me on that trip and after my return about working for African Hearts and I became their Australian Coordinator in 2012. I believe God uses who you are and what skills you have right in front of you to work for His Kingdom and can testify to His provision and strength when you say "yes" to His call.*

I am leading this team primarily because I wish to take my children as teenagers to visit Uganda as I believe it is a perfect time to witness what life is like in a developing country and hopefully develop relationships with the people through African Hearts.
