

EXPLORE UGANDA MISSION TEAM

Uganda, September 2019

Join our Explore Uganda Mission Team and connect with what God is doing in the heart of Africa. This team is an amazing opportunity to come alongside local ministry African Hearts which works with vulnerable children and young people in the slums of Kampala. We'll also visit villages and see how African Hearts' community development projects are sharing the light and love of Jesus to people in Uganda.

EXPLORE UGANDA MISSION TEAM

Uganda is called the Pearl of Africa—a land of great beauty, rich culture and resilient people. Join our Explore Uganda Mission Team and discover how **Jesus' light** is shining bright in Uganda through Ugandan Christians and cross-cultural mission workers.

We'll spend most of our time with **African Hearts**, a ministry working with vulnerable children and young people, where you'll have the opportunity to visit and assist with projects, and learn about issues such as poverty and injustice. Plus you'll get to experience a three day safari, tourist day trips and an optional gorilla safari.

This is an Explore mission team and participation in the team is not based on any specific skill set. You will have the opportunity to use your **skills and gifts** once the skills/gifts of the team are established. Some team projects will be performed, like painting and first aid. Team members will have opportunities for evangelism, and **sharing testimonies and the gospel**.

Other areas of gifting that would be useful (but not required) are in children's ministry, prayer ministry, teaching and music. Our team will also fundraise before the trip to contribute to an African Hearts project.

My first trip to Africa in 2011 was part of a short-term mission team. God spoke to me on that trip and after my return about working for African Hearts and I became their Australian Coordinator in 2012. I believe God uses who you are and what skills you have right in front of you to work for His Kingdom and can testify to His provision and strength when you say "yes" to His call.
