BIBLE READING PLAN

TERM THREE 2020

As followers of Jesus we grow in our faith when we read the Bible regularly and apply what it says to our lives. You can download the digital version of this plan from the website and save it to your digital device. Follow the chapter links to the You Version Bible website to either read or listen to the chapter each day.

PRAY

Ask God for insight, wisdom and understanding. Expect Him to speak to you as you read.

JOURNAL

One of the best ways to get the most out of your Bible reading is to have a journal where you take notes and process what you are reading.

The acronym, SOAP, can help you apply what you read.

Scripture: Write out a verse that resonates with you.

Observation: What do you observe in this verse? What do you notice?

Application: How will you apply the truth of this verse in your life? What are you going to do?

Prayer: Write out your prayer.

SHARE

Share what you are learning with others to grow in your faith and encourage one another.

Join a life group

Life group is where discipleship and pastoral care take place. Fill in a Get Connected card or come along to GroupLink.

Get a mentor

Ask someone who is more mature in their faith to journey with you one-on-one for accountability. Fill out a form at the Welcome Desk.
