

Gateway Care Pastor

Gateway Baptist Church is a growing multicampus church with campuses across South East Queensland. We are looking for a Gateway Care Pastor to join our Gateway Beyond ministry team as we continue to reach out into our local communities.

Gateway has a rich history of developing care ministries that provide practical help for people in our community delivered with Jesus' love through our Gateway Care Centres. As an integral part of the Gateway Beyond (missions) team, the successful candidate for this position will be a high capacity leader, who has experience and wisdom in both local mission as well as leading, developing and caring for staff and volunteers teams. They will have a passion to see the local church impact the community. They will exhibit the ability to innovate, create vision, communicate, and lead change, as well as have the required pastoral and organisational skills to build a successful ministry.

The advertised position is full time, including Sunday services, and reports directly to the Gateway Beyond Pastor. Experience in pastoral ministry, and previous experience in working within a local church care ministry context is preferred. The role will start as soon as practicable.

Applications, including a cover letter and any questions must be submitted in writing by emailing Tim Hood timhood@gatewaybaptist.com.au. Applications close Thursday 30 May 2024.
